

## **GRAPEVINE NAMED 'SUGRATWENTYSIX'**

### **ABSTRACT OF THE DISCLOSURE**

5       A new and distinct grapevine variety characterized by producing seedless grapes  
that are firm and crisp, naturally medium size, green-yellow skin color, elliptic berry  
shape, high sugar content and excellent eating quality. The new variety  
'Sugratwentysix' is a late mid-season ripening grape with an outstanding ability to hang  
on the vine.
